

Kashmir Barstool - Counter Height

Simon James | 2019

The Kashmir collection is an exercise in the essential and makes its statement at a low volume.

The steel frame of the Kashmir Barstool calls to mind the simplicity of iconic Modernist furniture design, offset by a tailored back-rest, where the circular stitching detail gives the piece a subtle sense of modern craftsmanship.

Offering a high level of refinement and a level of comfort and support that envelops the sitter, this piece will perform equally well in an office, cafe or home.
